## Experience

### Resident Advisor | Syracuse University

*August 2022 - Present*

Develop a respectful living environment through conflict resolution and community connection initiatives.

Lead the Creativity, Innovation, and Entrepreneurship Living Learning Community for first-year students.

### Social Media Manager and Host | WJPZ Z89

*February 2022 - Present*

Host and program a weekly hip-hop-centered radio show called "The Juice" on a Top 40 radio station.

Created original social media content for "The Juice", including highlight videos, team introductions, and stories.

### Freelance Videographer

*January 2022 - May 2023*

Recorded videos for local artists/musicians, including interviews, concerts, and behind-the-scenes footage.

Produced and hosted a weekly music-centered podcast, "DormTalk".

### Video Intern | The Kent Stage

*June - August 2022*

Spearheaded various video projects, including recording shows and outlining a potential mini-doc for the venue's 20th anniversary.

Researched and implemented a new video display system outside the venue and generated promotional content for the displays.

### Blood Donor Ambassador | The American Red Cross

*June - August 2020*

Utilized customer service skills and detailed system knowledge to support hospital and clinic operations.

Coordinated between patients and healthcare professionals to ensure safe and successful donations.

### Student of the Year | Leukemia and Lymphoma Society

*January - March 2020*

Raised over \$39,000 in a 7-week fundraising campaign towards cancer research and patient relief.

Organized multiple fundraising events with community leaders including a school-wide barbecue alongside the superintendent.

### Student Teacher | Independence High School

*August 2018 - June 2019*

Assisted the teacher in creating and executing lesson plans, assignments, and project timelines for students.

Met with students before and after classes to answer questions, give feedback, and reinforce concepts.
